Dear Ms Yip

THANK YOU

Your participation and support for the Australian Universities International Alumni Convention (AUIAC) 2008 which concluded on 13 June 2008, is very much appreciated.

Just a short prognosis of the event, the focus on 3 distinct areas – education, alumni networking and business entrepreneurship – had attracted much interest. There are about 360 attendees at both the Welcome Dinner and Opening Ceremony. The Gala Dinner which was graced by the President of Singapore, had more than 500 guests and delegates attending the event. More importantly, close to 400 participants from both local and overseas had registered as delegates. This, in our opinion, is truly a reflection of success.

On behalf of the Organising Committee, we wish to thank you for your most enlightening presentation. You have certainly contributed to the success of AUIAC 2008.

Submission of Full Text – as we have received many requests for the full text of your presentation, we have decided to post your text in pdf format onto the AUIAC 2008 website: www.auiac2008.org. We would appreciate it if you could submit the full text of your presentation by 15 July 2008, please.

We hope to meet some time in the future.

Thank you once again,

Yours sincerely
